

SMALL CREWS

Filming with small crews in Passau

Basics

- Filming in public areas in the city of Passau as well as in municipal buildings must always be registered with the office of the Lord Mayor, contact: ob-buero@passau.de
- Filming in private buildings / on private ground must be agreed with the owner concerned.
- The right of each individual to their own image must always be respected.

If filming and photography takes place on public ground with **little effort** and if all the **following requirements are met in full**, no filming permit is required.

Requirements

- use of pavements and pedestrian zones only (pedestrian traffic must be unhindered at all times)
- use of hand camera, shoulder camera only, max. one camera on tripod, microphone, boom and portable smaller hand lamps and reflectors
- no further aids or structures (such as camera drones, cable laying, generators, spotlights, chairs, cases etc.)
- no more than 5 persons (cast and crew on location) on public ground involved in the shooting
- no scenes that contribute to endangering public safety and order (e.g. extremist, violence-glorifying or pornographic films) or to impairing the public's sense of security (e.g. use of weapons, brawls, loud screams, threatening situations etc.)

Basis: Communication from the City of Passau, Passau Tourismus & Stadtmarketing dated 03.11.2022 to the Film Commission Bayern

Bigger productions

If the requirements exceed the above-mentioned dimensions, the filming must be additionally approved by the Public Order Office of the City of Passau.
